SOFTWARE

## Announcements

In just one week, ProComp will be making an announcement regarding the latest addition to our CATT product family. Existing and potential customers will be interested in the increased benefits and worry free aspects. Watch for our news release early next week, as well as an update on our [website](#).

## In case you missed it...

Besides the conferences that we attend, we have been highlighting special news events applicable to our industry. Check them out on our [News](#) page of our website. Some of the more recent titles are:

- [The Surgeon General's Report on Addiction](#)
- [The Landmark: 21st Century Cures Act becomes Law!](#)
- [According to the Centers for Medicare and Medicaid Services](#)
- [Opioids Dispensed Decreases in State of Ohio](#)

## Upcoming Events

After attending the OACBHA conference in January, we will be picking up the pace a bit as spring draws near. We hope to see you at the conferences that we will be attending in the upcoming months.

### **Senior Leadership Conference**

For those of you looking for knowledge development and nationwide networking with organizations like yours, the Alliance for Strong Families and Children will have their annual [Senior Leadership Conference February 18 - 21, 2017](#) in Clearwater, Florida. What better place for northerners to warm up from the cold! We will be there as a sponsor and exhibitor again this year.

### **NatCon 2017**

Seattle, Washington is the location for the [2017 National Council for Behavioral Health NatCon Conference](#). This years conference is April 3 - 5, 2017. We will be exhibiting there at booth #1319. Stop by our booth for updates on CATT, ask us what is new, and grab a water bottle! Make sure to check out the lineup of keynote speakers!

### **OACCA Annual Conference**

Save the dates: April 26 - 27, 2017 for more information: [2017 OACCA Annual Conference](#)
